'Dept has a week to fix Melaka water issues'

CM: People don't want to hear excuses anymore

MELAKA: The state government has given Syarikat Air Melaka Berhad (SAMB) a week to resolve water supply problems.

Chief Minister Adly Zahari said the issue must be tackled as soon as possible because the people were tired of the excuses.

"I have instructed SAMB to resolve this issue within a week.

"The people do not want to hear any more excuses and should not be burdened with water woes any more," he wrote in a post on his official Facebook page.

Last Thursday, SAMB issued a statement on its official Facebook stating

that 44 areas in three districts were experiencing water shortage due to low rainfall over the Sungai Melaka catchment area of late.

The affected areas in Melaka Tengah are Lorong Pandan, Kesidang, Kampung Lapan, Kota Laksamana, Semabok, Bachang, Batu Berendam, Taman Sayang Selasih, Limbongan, Klebang Besar, Ujong Pasir (expected to be affected), Kandang, Padang Temu, Bukit Godek, Taman Seri Duyong, Taman Sri Duyong Seksyen 1, 2 and 3, Taman Desa Duyong, Permatang Pasir, Bukit Lintang and Alai.

In the Jasin district, areas affected

are Kampung Jus, Selandar, Kampung Bukit Senggeh, Felda Bukit Komeng, Felda Sri Kemendor, Felda Air Kangkung, Taman Sri Kemendor, Kampung Sri Kesang, Jalan Selandar Permai, Taman Jus Perdana, Taman Selandar Indah, Taman Pelangi, Taman Sri Selandar, Taman Selandar Murni, Kampung Baru Selandar, Taman Bukit Senggeh, Institut Latihan Perindustrian Selandar and Kolej Komuniti.

For the Alor Gajah district, the affected areas are Bukit Bulat, Menggong, Melaka Pindah, Machap Umboo, Pengkalan and Hutan Percha. — Bernama
