### 'Due diligence exercised before degazetting KLNFR'

**SHAH ALAM:** The Selangor government did exercise due diligence before arriving at a decision to degazette the Kuala Langat North Forest Reserve (KLNFR), said the state Forestry Department. In a statement on Wednesday, it said the decision was in line with the state's development goals towards socioeconomic stability and sustainability. It also stressed that the Selangor government still maintained about 46 per cent of the forest reserve area in Mukim Tanjung Dua Belas, Kuala Langat, as a permanent forest reserve. "The 17th meeting of the state executive council, had decided that only 536.70ha from the KLNFR were approved for degazetting under Section 12 of Selangor's National Forestry Act (Adoption) Enactment 1985." **Bernama**
