700kg croc captured by Civil Defence Force

PAPAR: A crocodile measuring almost five metres long, which was sighted in Kampung Nagapas here recently, was captured by Civil Defence Force (APM) members on Monday night. Sabah APM, in a statement, said its personnel rushed to the scene after the agency was alerted of the discovery of the 700kg reptile at 7.30pm. “The crocodile was captured at 9.05pm with the help of villagers and handed over to the Sabah Wildlife Department,” it said. Earlier a 14-second video clip of the crocodile’s appearance in the middle of the road in Kampung Nagapas was shared on social media, raising fear among residents in the area. **Bernama**
