### Dept rescues Orang Asli man bitten by snake

**GERIK:** A 30-year-old Orang Asli was injured after he was bitten on his left foot by a pit viper while on his way to catch fish in Sungai Rengat, near Kampung Orang Asli Dala here, on Friday. A Perak Fire and Rescue Department spokesman said the department received a distress call at 2.32pm and a rescue team was dispatched to the scene. He said the team found out that the location was inaccessible by heavy vehicles as it was hilly. "They had to leave their vehicle behind and walk for more than an hour. They were assisted by an Orang Asli guide. The victim was treated and carried on a stretcher to the waiting vehicle." **Bernama**
