**FLOATING SOLAR FARM ...** Singapore yesterday unveiled one of the world's biggest floating solar power farms, covering an area the size of 45 football pitches. The project, developed by Sembcorp Industries, comprises 122,000 panels on Tengeh Reservoir that will produce enough electricity to run its five water treatment plants. The new farm can produce up to 60MW of electricity. – **AFPPIX/SINGAPORE NATIONAL WATER AGENCY-PUB**
