NO DECISION ON WATER TARIFFS YET

SHAH ALAM: Selangor Menteri Besar Datuk Seri Amirudin Shari said the new water tariff rate for Selangor has yet to be decided pending feedback from the federal government. He said the Selangor government cannot act "alone" as any changes or adjustment on the water tariffs have to be made by the federal government, and will also involve other states. "Discussions (on new water tariff rates) have been going on for years. Whether now is the time (to announce the new rates) or otherwise, we are in the midst of reaching that decision and will announce it in the near future," he said yesterday. Key aspects of the discussions will focus on providing sustainable water supply. - Bernama
