# Nod for rental rebate extension

**PUTRAJAYA:** The government has agreed to extend the 50% rental discount for tenants of federal land and buildings for another six months, according to Energy and Natural Resources Minister Datuk Seri Dr Shamsul Anuar Nasarah.

The initiative will be extended from July 1 to Dec 31, he said yesterday.

He expressed hope that it would ease tenants' burden following the implementation of the total lockdown and help to restructure their cash flow to sustain their businesses, he added.

As for the survival of zoos and permanent exhibition premises (ZPT), Shamsul Anuar said the government had approved an initial allocation of RM179,426 under the Wildlife Welfare Caring Fund to 10 ZPT that have been badly affected by the total lockdown.

"This time around, the allocation of the Wildlife Welfare Caring Fund is based on applications for immediate assistance from the 10 ZPT."

During the movement control order last year, the government had allocated RM3.9 million while Tenaga Nasional Bhd had given RM500,000 in stages to 25 ZPT, he said. - Bernama
