Perak Perhilitan relocates elephant to sanctuary

IPOH: The Perak Wildlife and National Parks Department yesterday relocated a male elephant named Yob Atoi caught in Kampung Lelang Nenering, Gerik. Its director, Yusoff Shariff, said the 1.5-tonne elephant was estimated to be between 15 and 20 years old, and was relocated to the Sungai Deka Elephant Sanctuary in Hulu Terengganu. Yusoff said the operation was conducted after receiving reports from villagers on Aug 22. “The operation was also assisted by two elephants, Abot and Rambai, which were brought in from the National Elephant Conservation Centre in Kuala Gandah, Lanchang, Pahang, to persuade the male elephant to board the vehicle.”
