### Selangor getting views on degazetting forest reserve

**BESTARI JAYA:** The proposal to degazette the Kuala Langat North Forest Reserve is still under discussion, and the Selangor government is examining the views of experts. "I am taking into account the views of experts and professors from Universiti Putra Malaysia, Universiti Kebangsaan Malaysia, and other universities on whether the forest should be degazetted. We respect the views of non-governmental organisations and the Orang Asli. As a caring government, we will look into all aspects, not only of the forests, but of the Orang Asli and economic development," state Tourism, Environment, Green Technology and Orang Asli Affairs Committee chairman Hee Loy Sian said.
