### TNB donates cold storage containers to 2 hospitals

**ALOR STAR:** Tenaga Nasional Bhd (TNB) on Sunday donated two cold storage containers to house the remains of deceased Covid-19 patients at the Sultanah Bahiyah Hospital, here, and Sultan Abdul Halim Hospital in Sungai Petani. TNB chairman Datuk Seri Mahdzir Khalid said TNB came forward to donate the special containers to enable the funeral management process to run smoothly. "TNB is sensitive to the current situation concerning the Covid-19 pandemic and we take note of the needs of the hospitals, so I discussed with TNB's top management for us to take immediate action. In just two days, we decided to hand over these cold storage containers, and I wish to thank TNB chief executive officer Datuk Baharin Din who helped a lot," he said in a statement. **Bernama**
