TNB staff raise RM1.28m for B40 hit by pandemic

KUALA LUMPUR: Tenaga Nasional Bhd staff raised almost RM1.28 million to help the B40 group impacted by Covid-19. The money was collected via Tabung Warga TNB Prihatin (WTP) in just eight days since its launch. TNB president and chief executive officer Datuk Ir Baharin Din said more than 11,000 staff made voluntary salary deductions towards the fund. He said the fund was set up by TNB's top management, union and associations. Baharin said he was confident the fund would increase before the closing date of July 15. "We will match every ringgit donated by TNB staff so that the fund benefits more people. Having grown up in a challenging urban environment, I understand the difficulties faced by those who have lost their jobs due to the current situation."
