### Two wild elephants leave villagers feeling uneasy

**GUA MUSANG:** About 20 residents from a village here are living in fear after they spotted two wild elephants wandering into their farm about 7am on Sunday. The animals destroyed banana trees at the farms in Jalan Subong here. No untoward incident occurred during the encounter. Kampung Lembaga resident Mohamad Hanifa Mohd Zain, 29, said the pachyderms have been in the area since last week. He said he and other villagers discovered the two male elephants destroying their banana trees on Sunday. "We ran when we saw them. Since then, we have been afraid to enter our farms." Another resident, Rosdi Ayub, 52, said this was the second time such an incident had occurred in the last three months.
