Zoo needs RM600,000 a month to stay afloat

MELAKA: The Melaka Zoo needs RM600,000 a month to cover animal care and operational expenses following its temporary closure during the Movement Control Order (MCO) 3.0. Hang Tuah Jaya Municipal Council president Datuk Shadan Othman said RM250,000 was needed to buy food for 550 animals housed at the zoo. "The zoo needs at least 250kg of chicken meat and beef a month as well as fruits and vegetables to feed the animals." He said the council had been collecting funds for the zoo since the MCO was implemented last year and to date, RM200,000 had been raised. "We welcome public donations to help ease the burden following the closure of Melaka Zoo."
